- We reserve the right to add any **ADDITIONAL** competition days/times when necessary. We **ALSO** reserve the right to move the competition location to a different venue or area when necessary.
- By completing your registration for an Industry Dance Challenge event, all registered dancers are giving permission to our social media team to publish their photographs and/or videos for promotional purposes. This **INCLUDES** any and all social media platforms under Industry Dance Challenge, promotional videos, B-roll, websites, public promotion platforms, etc. In **ADDITION** to registering you release any and all owners, directors, officers, representatives, and employees of this competition from any and all claims of injuries or damages sustained during an event.

SCHEDULING & PERFORMANCE TIMES

- There is NO fixed format for an event schedule. Each event schedule is made based on the breakdown of entries and ages.
- Schedule is ALWAYS subject to change BEFORE and/or DURING the event.
- All entries must compete on the SAME DAY AND TIME they are scheduled for. You may request a changed time to compete, however it is not guaranteed. We understand circumstances arise and things are not planned for.
- IF approved to compete on a different day of an event, the entry will most likely be competing for ADJUDICATION ONLY and may not be eligible for overalls. This will be subject to change depending on event capacity.
- Any changes in event days/times are at the discretion of Director, and are determined by the time and capacity allowance of the event and venue.
- Each entry is given an assigned number. This is used for identification and reference purposes. Entries are expected to perform in numerical order unless a change is made to the schedule granting the permission of competing out of order.
- The backstage manager of the event has full authority to ask an entry to perform out of order if there are any unforeseen circumstances and/or other delays. Please be prepared to compete whenever we call your number, even if it is out of order and/or earlier than anticipated.
- UNAUTHORIZED delay in performances may result in point deduction and/or disqualification.
- Performers MUST be checked in with BACKSTAGE MANAGER at least 15-20 entries before they are anticipated to compete. Failure to do so may result in point reduction and/or disqualification.
- Please let BACKSTAGE MANAGER know if you are experiencing delays in costume changes or missing dancers so they can prepare for delays in schedule. If BACKSTAGE MANAGER is not notified of any problem, and you are not ready to compete in your designated order this can result in disqualification.
- Keep in close contact and communication with BACKSTAGE MANAGER throughout the entire event with any updates or delays you may have. This will make it easier for both your studio and our competition to have the

COMPETITION LEVELS

- Industry Dance Challenge believes that a dance competition should encourage dancers in a positive direction with an advanced level of scoring. We have (3) competition levels that dancers can be classified as. This separates experienced competitive dancers from dancers who are just starting out in the competition world and are striving to achieve their goals.
- Studios are required to assign and enter EACH of their dancers into the CORRECT competition level, this CANNOT be changed after the registration is complete.
- Our judges reserve the right to move a routine or dancer into a different competition level if they feel the routine or dancer was not entered in correctly.
- If a routine or dancer is bumped up/down during an event, they must stay in that competition level for the remainder of the event.
- These competition levels are as follows:

ROOKIE

- This competition level is for dancers who are starting out. These dancers are on the rise to become prodigy dancers and have basic skills.
- These dancers will be scored accordingly and will be eligible for both adjudication and overall awards.
- Rookie level dancers will ALSO be eligible for judges awards, choreography awards, etc.

PRODIGY

- This competition level is for dancers who are starting out and have been competing for under 3 years. These dancers are on the rise to become competitive dancers and have the basic skills and proper training/terminology down.
- These dancers will be scored accordingly and will be eligible for both adjudication and overall awards.
- Prodigy level dancers will ALSO be eligible for judges awards, choreography awards, etc.

COMPETITIVE

- This competition level is for the dancers who are competitive dancers who perform and train at a technical level. These dancers need over 3 years of competitive experience to compete as a competitive level dancer.
- These dancers will be scored accordingly and will be eligible for both adjudication and overall awards.
- These dancers will ALSO be eligible for judges awards, choreography awards, scholarships, cash prizes, etc.

MUSIC

- ALL music should be uploaded and submitted through our registration system. This MUST be done AT LEAST 14 days before the start of the event.
- Every entry must provide their own music with the proper speed, tempo, cut, etc.
 - PLEASE HAVE A BACKUP OF ALL ENTRY MUSIC! We expect iPhone, flash drives, and laptops as a form of backup. They MUST have each routine numbered and labeled correctly within its own SEPARATE playlists.
 - ALL Industry Dance Challenge events reserve the right to deduct points and stop any music that contains profanity, derogatory language, slurs, inappropriate sayings, etc. AGE APPROPRIATE.

- Any items left on stage after the use of a prop must be cleaned by the studio immediately and efficiently after the routine is finished performing. Failure to do so may result in a point deduction or disqualification.
- When registering a routine it is MANDATORY you include prop and description during registration process.
- At the event it is MANDATORY to tell the BACKSTAGE MANAGER you HAVE a prop, will be USING prop, WHEN the prop comes onto the stage, WHERE it is being placed on stage and WHAT routine it is being used for.

BACKSTAGE AREA

- After checking into an Industry Dance Challenge event it is IMPORTANT to introduce yourself to the BACKSTAGE MANAGER of the event.
- Keep an open COMMUNICATION throughout the ENTIRE event with the BACKSTAGE MANAGER to ensure a stress-free and smooth experience with us!
- Teachers or Studio Directors should check-in performers and routines along with any props with the BACKSTAGE MANAGER at the appropriate time before competing.
- Backstage areas and wings MUST remain clear of dancers, props, teachers, and parents if you are not waiting to perform in at least 5 numbers.
- When waiting backstage all participants MUST remain QUIET and be RESPECTFUL to the performers on stage and the audience.

GENERAL RULES

- PHOTOGRAPHY AND VIDEOGRAPHY ARE STRICTLY PROHIBITED. This is to protect the copyrights of teachers and choreographers. This rule is also put in place to protect your kids and dancers from exploitation. Violating this will result in removal from the competition. This can result in point deductions and disqualification of YOUR studio.
